Deja'nay Andrea Mincey

Congratulations to brother D'Andre and sister Deja'Nay Mincey. Kids acting graduate D'Andre Mincey (5) booked a shoot for Disney October Visa Card. He had to dress up as a tourist and run to Mickey Mouse with his arms open wide giving him a big hug. Pictured left is a shot from the photo shoot. He is all dressed up in Disney attire. He also booked work for the Home Shopping Network LIVE for Christmas in July. They asked him to stay for 2 hours but since they really liked him it ended up being a 10 hour day. D'Andre's sister Deja'Nay (7) also a kids acting and advanced acting graduate here at The Maile School booked industry work for Harcourt Publishing Science book. She can be seen on page 11. Way to go Mincey kids. Keep up the great work!

Maile graduates Michael, Nathaniel and Keira Peña continue to add to their impressive list of show biz credits. You may have seen Nathaniel (12) as a principal in a nationwide Honda commercial or in reruns of his *Criminal Minds* episode "Rite of Passage" which continues to air in syndication. He has completed 12 DVDs of the Disney English project, and is scheduled to complete the rest of this 30-DVD project later this year. Nathaniel also booked a recurring voiceover role for the Pearson Foundation. Sister Keira (8) has appeared in spots for Subway, Nike, Tide, Capital One, Walgreens and Blue Cross/Blue Shield. Michael (14) just booked the lead in an upcoming LA Film School thesis project and is also busy editing, producing visual effects for, and hosting the Peña family's newest web series *Teens Wanna Know* (found on youtube.com/penachannel) which profiles young actors and covers celebrity-filled red carpet events, with a focus on positive messages and charitable endeavors. Both Peña brothers are also taking classes at Los Angeles Valley College, where Michael is obtaining his A.A. in Cinema Arts and Theater Directing, and Nathaniel pursues his A.A. in Acting. Nathaniel is also studying Method Acting with the legendary Lorrie Hull, chief instructor under Lee Strasberg. According to father Willie he says "Their current training is building upon the excellent foundation they received at The Maile School. Anyone who is serious about making it in Hollywood needs to train with people with real connections to the industry, not just hype. For Central Florida residents, this means The Maile School. I mean, just look at their graduates and what they have accomplished." Thank you for the nice compliment! Continued success Peña family.

IMPROVISATION for the Professional Actor

Improvisational acting is a technique that allows the actor to free their self from the persona they portray on stage or camera. This allows for the free flowing spontaneous creation process to take place. Improvisation has also become an essential part of most audition situations. Many of today's great actors have launched their careers through improvisational venues like THE SECOND CITY and SATURDAY NIGHT LIVE.

In this class the student actors will create a complete improvisational showcase which on week 10 will be performed in front of a live audience.

Students will learn how to...

- ◇ **Work as an ensemble cast**
- ◇ **Utilize character and scene development**
- ◇ **Tap into your creative mind bank**
- ◇ **Incorporate transitional tops and bottoms**
- ◇ **Spontaneously build sketches that will entertain an audience**

Bullying is a hot topic in the media and with the 2012 / 2013 school year just beginning we hear more and more stories. But there is way more bullying than what we realize.

As a member of society we are in a position to notice if a child in our community is dealing with this issue.

How do you know if a child is being bullied? Since you may only see a particular child once, or a few times each week, here are some signs you might recognize:

- Unexplainable injuries, marks or bruises
- You frequently hear the child talking about losing items (books, jewelry, his lunch, money, etc.)
- Consistently looks sleepy, or is tired
- Is not as socially active as they once were

If you notice any or more than one of these signs, it will be beneficial to mention it to a parent or another teacher. Don't be too quick to dismiss what your intuition is telling you. It could be a big deal.
