

# The FYI on Stefanie Scott

### IN THIS ISSUE:

Acting graduate Stefanie Scott has been extremely busy lately. She voiced "Moppet Girl" in the big screen animated Disney film *Wreck-It Ralph* and she's been preparing for her third season on Disney Channel's hit show *A.N.T. Farm* playing the role of "Lexi Reed". When interviewed by BOP and Tiger Beat magazine recently Stefanie said her favorite thing about doing voice over work is, "that you can act completely crazy. It doesn't matter what you look like. You can go in your pajamas; it doesn't matter because all they want is your voice." She also said one day she would love to work with Reese Witherspoon or Will Ferrell because he is really funny.

Going into her third season on *A.N.T. Farm* Stefanie says, "My character, Lexi Reed has grown. Lexi does have a good heart deep inside and I think slowly this season, you will get to see that more. Every couple episodes, you see that moment where her and Chyna hug and have a good moment. Those are the moments that I love and I live for on the show, when I get to see Lexi do something really sweet and heart warming. Those are definitely my favorite moments of Lexi's."

Stefanie's single, *FYI*, is available now on iTunes! Stefanie choreographed a video with the lyrics. Christmas came early for acting graduate Arielle Kebbel. She is starring in the Hallmark Channel Original Movie titled *A Bride for Christmas* which premieres on December 1st and runs throughout the holiday season. Arielle also had a supporting role in the feature film *Think Like a Man* starring Steve Harvey and Gabrielle Union.

Grad Evan Huit is 9 years old and has built up quite an impressive resume for his young age. He recently booked a SAG commercial for Universal and has worked on several student films including a lead in the Full Sail film titled *Canary*. He has performed in two community theatre productions and booked numerous print shoots including Publix, Bealls, Belks, Target, Walmart, Nautica, and Smokey Bones. Evan also worked for clients such as Tradewinds Resort, Scheels Sporting Goods, and Osteo Bi-flex. Evan has attended many workshops here at The Maile School including the audition workshop with Casting Director John Peros. In his spare time he enjoys baseball and has played in the little league for five years. Way to go Evan!

Modeling and acting graduate Tiana Rivera's video was entered and selected for an Anti-Bullying Awareness scholarship contest campaign. In Tiana's essay she said "I've been judged, ridiculed, and harassed. For years I put my pain aside and stood up for everyone of my friends who've been bullied, I stayed strong for them. I overcame all the torment, and became a stronger person inside and out. I gave them the power to overcome all the names, all the stares, and all the laughs. We are now strong, beautiful people united together to stay strong forever." We are so proud of you for speaking out on such an important cause!

Congrats to acting and advanced acting graduate Jim McDonald on all his industry success. He was cast as George Washington in 2 spots for the Florida Lottery that aired state-wide. He shot his 12th "Doctor Jim" spot for Freedom Health and was a spokes model in 13 videos to be used nationally for AAA branches and websites. He also booked work for Digital Juice, Disney, Wisconsin Del as well as numerous voice overs and print ads. Keep up the great work Jim!
