Star Talent

Maile student Alexandra Frank was accepted as a State Finalist for the National American Miss pageant for the title of Miss Florida, Jr. Pre-Teen in July 2013. Ally won second runner up out of a total of one hundred fourteen contestants. She now qualifies for the National pageant to be held in Hollywood, California in November 2013. She will also compete in the State Finalist pageant next summer for Miss Florida in hopes of winning the title and crown for Miss Florida, Jr. Pre-Teen. Ally trained with Maile Instructor Aurora Milbrath.

Over the course of months leading up to the pageant, Ally continually practiced and fine-tuned all of the skills she learned from Aurora.

Mom Sharon says, "Ally's performance in every competition was nothing short of AMAZING! We couldn't believe it and couldn't have been more proud! Ally more than deserved this amazing win and all the credit goes to her, however; she could NOT have done this without the leadership, mentoring and coaching from Aurora Milbrath! What we value the most from this whole pageant experience is the new found friendship with Aurora Milbrath – she truly is one of the most wonderful, genuine, caring, warm-hearted individuals we have ever met."

Acting and Advanced Acting graduate Nathaniel Pena is currently the youngest student at Yale Conservatory for Acting, a very competitive and intensive program. He has booked national commercials for big name clients like Target, and Honda. He also filmed an episode of Criminal Minds and a 30 DVD series for Disney, just to mention a few of his accomplishments. We are so proud of Nathaniel and look forward to seeing more from him in the future!

Congratulations to Image instructor Susan Constantine. She has been very busy coming off the success of her book titled "The Complete Idiots Guide to Reading Body Language" with over 1000 media appearances. She is a certified body language expert and leadership coach and has appeared on popular shows such as Geraldo, Nancy Grace, Greta Van Susteren, Today Show, CNN, and Fox News to name a few. Susan just landed a leading role in a film documentary produced by Robert Redford and narrated by Jodi Foster titled *Be Natural*, a story about the first female film producer in the late 1800's. Susan analyzed Alice Guy Blache'

body language from her old films and photographs (will be in theaters in 2014). Susan exclusively provides leadership coaching, body language, presentation skills and media coaching for actors, individuals and corporations.
