

# Summer Camp Fun!

### IN THIS ISSUE:

The Maile School summer campers are learning the business first hand through our fun and unique summer training programs.

The Image campers grasp all the important life skills needed to succeed. Students learn topics such as etiquette, body language, public speaking, hair, skin care and makeup and interviewing skills while being challenged and developing confidence.

Our kid and teen on camera acting camp encourages individuals to seek out their own artistic interests. Students work on their craft and hone their skills to excel at auditions for TV, commercial and film.

Kid and teen modeling camps are well rounded giving students an opportunity to model in a fashion show at the mall as well as working on posture, runway, TV modeling and experience a professional photo-shoot while building self esteem for any situation.

Advanced acting for kids and teen gives students an opportunity to showcase their talent for an agent. Students work on monologues, character development and scene study.

Don't miss your chance to train at The Maile School in one of our July summer camp sessions. See page 2 for our July camps and page 3 for our exclusive fashion modeling camp held at The Mall at Millenia!

# ★ Star Talent ★

Congratulations to acting and advanced acting graduate Spencer Locke. She booked a lead role in the feature film thriller titled *Landmine Goes Click*. Spencer is no stranger to thrillers as she had roles in *Resident Evil*, *Resident Evil Extinction* and *Resident Evil Afterlife*. She also had roles in *Monster House*, *Two and Half Men*, *Tarzan*, and *Spanglish* that starred Adam Sandler. Spencer is 23 years old and now lives in Los Angeles and is current filming a movie titled *Five O'Clock Comes Early*. Way to go!

Congrats to Image, Modeling & Acting grad Adriana Milbrath. She was cast as Shelly in a stage production titled *Evil Dead: The Musical*. Adriana says, "I can't wait for the audience's reactions. We have so much fun on stage already but it's going to intensify so much more once we have the audience's energy to feed off of. I don't want to give away too many spoilers here, but this is the third time I've had to die in a show on stage, but the first in outrageous rock musical fashion". Adriana is a BFA Musical Theatre Major at Point Park University and competed in many local and state pageants.

Teen Modeling graduate Naysa Smith attends Wekiva High School where she is a member of the Scholar's Academy Program, and Student Government Association. She is very committed to public service and volunteers as a mentor to young girls for the Girl Power program at Piedmont Lakes Middle School. Naysa also works as a camp leader and vacation bible school assistant at numerous churches. She spends her weekends being a part of Delta G.E.MS of Orange County Alumni Chapter of Delta Sigma Theta Sorority, Inc. Naysa has modeled in fashion

shows for The Seminole Towne Center, Cache, McNair Productions and Macy's. She has also participated in several pageants such as Miss Teen Be-You-Tiful Pageant and The Renaissance Pageant with super model Cynthia Bailey also from The Real Housewives of Atlanta (*pictured upper right*). Naysa wants to attend Clark College and study Early Childhood Education. We are so proud of you girl!

Patrick Fenimore attended classes at The Maile School when he was 16 years old and after finishing he booked a few gigs. He put the industry on hold to go to college then went on to the Fire Academy. Patrick said, "I still wanted to break into acting and appear on SNL. After getting a job with Brevard County Fire Rescue, I fell in love with firefighting. I put plan A aside and worked on plan B becoming a firefighter/paramedic. I've been a firefighter paramedic now for over 7 years." About a year and half ago, Patrick decided to give his acting career another shot by enrolling in our adult acting program as well as our advanced improv class. He has booked some industry work for WKMG Local 6, Christener's Steak House (where he got to drink wine and eat steak, which he says was awesome!), a PSA for harbor house

of Orlando, a web commercial for an LED lighted patio furniture on Brookstone's website, and just recently booked a Credit Karma commercial. Patrick says, "I highly recommend The Maile School. They always look out for the students in making sure they never get ripped off and always want to see the students succeed. The staff is great, friendly and always smiling when you walk in." Thanks Patrick!

## Featured Instructor:

# Meet Our Interns

Jason Frazier is 15 years old and a sophomore at Dr. Phillips High School. He is a graduate of our on camera teen and advanced acting program as well as a member of our All Star Performing Troop. He enjoys football, soccer, tennis, swimming, martial arts, and is learning to box. His acting credits include plays at church and live performances at The Pour House and The Seminole Towne Center Mall. His favorite classes at school are Drama, World History and Language Arts. Jason says, "The Maile School taught me how to not be scared and to just do it. Also to be more confident and overcome a stuttering problem

that I struggled with". Jason wants to be a comedy actor like Kevin Hart and in action movies like Tom Cruise. Jason has been a positive influence on the other students here at The Maile School and we are happy to have him as part of our team.

Rachel Schmaus is 17 years old and attends Winter Springs High School where she is the editor-in-chief of the yearbook staff. Rachel loves soccer and has played for 12 years. She wants to go to college and major in Digital Design and become a successful model. She has modeled in fashion shows and booked various editorial shoots for Christopher Rank photography. Rachel says " I love going to The Maile School because the classes are professional and enjoyable. I love all of the fabulous staff they treat everyone with respect. I would recommend anyone take classes at this amazing school". Rachel is a great role model for the kids classes she assists in and we are happy to have her here!
