More Star Talent

Acting grad Greg Davis Jr. landed a role on the hit children's show Gullah Gullah Island on Nickelodeon as a series regular. He later graduated from Dr. Phillips Performing Arts High School. After graduation, he convinced his parents to let him move to L.A. to pursue his acting career. Life in L.A. wasn't easy. He met so many challenges, but never gave up. Greg finally landed a guest appearance on CSI: NY. Then he landed a guest starring role on The Shield on FX. After that, he was blessed with being a series regular on the comedy show 10 Items or Less on TBS for three years. Greg was then fortunate to play the character of Fleetwood Morgan on the PS3 game L.A. Noire. After going on numerous auditions for the next gig, Greg decided that instead of waiting for the next opportunity, he was going to create his own. He started his own company, Outside Of The Box Entertainment, LLC. From

there he wrote and produced his first independent film entitled "An Actor Prepares". He submitted and showcased his film at The Film Festival in San Francisco in October 2013. He was also nominated and won the Best Actor Award from the festival. Greg got the social media bug over a year ago starting off with doing Vines just for fun. Since then he has almost two million followers and counting on Vine. He has done some brand vines for many clothing brands and companies. Some of his major brand Vines include Oral B Toothbrush, Boost Mobile, Coca Cola and most recently, Charmin Bathroom Tissue. Take a moment to follow Greg on the following social media sites. presents Tracy Frenkel's
Advanced Program:*

IMPROVISATION for the Professional Actor

Improvisational acting is a technique that allows the actor to free their self from the persona they portray on stage or camera. This allows for the free flowing spontaneous creation process to take place. Improvisation has also become an essential part of most audition situations. Many of today's great actors have launched their careers through improvisational venues like THE SECOND CITY and SATURDAY NIGHT LIVE.

In this class the student actors will create a complete improvisational showcase which on week 10 will be performed in front of a live audience.

Students will learn how to...

- ◇ **Work as an ensemble cast**
- ◇ **Utilize character and scene development**
- ◇ **Tap into your creative mind bank**
- ◇ **Incorporate transitional tops and bottoms**
- ◇ **Spontaneously build sketches that will entertain an audience**
