

Brady lands Nickelodeon Pilot

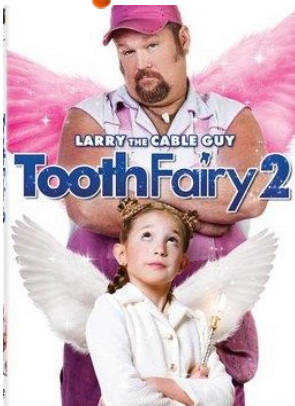

Brady Reiter is a graduate of The Maile Acting School and was a member of our Performing Troop. She has been building her resume in Florida since she was five years old. She landed dozens of National commercials such as Huffy Bicycles, Arm & Hammer, Disney, and Dish Network to name a few. She also landed roles in feature films for Universal’s *Beethoven’s Big Break* and a starring role in the movie *Tooth Fairy 2* as Nyx that also starred Larry The Cable Guy (pictured below).

Brady is now 14 years old and recently booked and filmed the recurring role of Mindy Minus in Nickelodeon’s pilot *100 Things to do Before High School* which was recently picked up for 26 episodes. Brady’s character Mindy is a popular 7th grader, usually seen with her posse. She knows she’s destined to be with the coolest boy in the school. Nothing stands in her way especially in the hallway, including CJ and her friends.

After going back and forth to Los Angeles for several years, Brady has finally relocated with her family. Three weeks after moving there, she booked and is now filming a pilot for Amazon TV, titled *Just Add Magic*. Brady plays the role of Charlotte.

Mom Judy says, “Brady will always look back on her time at The Maile School as an inspiring start to her career as an actress”.

We wish Brady the best of luck in Los Angeles. Congratulations on all your success!

Patrick is a full time firefighter paramedic but pursues acting as well. Some of his industry jobs include work for WKMG Local 6, Christener's Steak House, Harbor House and Brookstone to name a few. We are excited to share the news that graduate Julia Jordan has a supporting role in the upcoming feature film, *Dolphin Tale 2*. Julia will be portraying the role of Mandy, the little girl that discovers and helps a stranded dolphin. She will also be playing the role of "Young Cosette" in *Les Miserables* this fall at the Orlando Shakespeare Theatre. Julia has taken many workshops and summer camps at The Maile School. Her favorites have been the Stefanie Scott workshop and the annual Back to School Fashion Show Modeling Camp. Julia booked her first SAG commercial at the tender age of 15 months old and has since worked for Publix, Disney, Eckrich Sausage, 5/3 Bank, Parenting magazine and more. She studies dance at In Motion Dance Project and loves to sing as well. Julia attended a week long summer

intensive program in NYC where she studied voice, acting and dance with the Broadway Artists Alliance. She attended master classes with Tony award winner, Sutton Foster and studied song interpretation with Laura Osnes, Broadway's original Cinderella. She was beyond thrilled when she was invited to audition for the title role in *Matilda; the Musical*. Mom Amy who also landed the role as Julia's mom in *Dolphin Tale 2* says, "We would like to thank The Maile School and John Peros for the excellent audition training." Support Julia and go see *Dolphin Tale 2* when it opens on September 12th! Very exciting!

Grad Kylan Johnson is 8 years old, home schooled attending 3rd grade. Kylan booked a lead role in a commercial for Speed Learning Inc. with Professional golfer Ryo Ishikawa and was cast in the Perfect Day commercial from the PGA that was broadcast nationally promoting the PGA's Get Golf Ready Campaign. Dad Kirk says, "Attending The Maile School inspired Kylan to pursue dreams that others may not think are possible. He learned so much about etiquette, communication and presentation. Most

importantly Debby's emphasis on self confidence has directly changed his life in every area that he pursues. The big wins and major accomplishments were all because of his humble self confidence."

Advanced Program:*

IMPROVISATION for the Professional Actor

Improvisational acting is a technique that allows the actor to free their self from the persona they portray on stage or camera. This allows for the free flowing spontaneous creation process to take place. Improvisation has also become an essential part of most audition situations. Many of today's great actors have launched their careers through improvisational venues like **THE SECOND CITY** and **SATURDAY NIGHT LIVE**.

In this class the student actors will create a complete improvisational showcase which on week 10 will be performed in front of a live audience.

Students will learn how to...

- ◇ Work as an ensemble cast
- ◇ Utilize character and scene development
- ◇ Tap into your creative mind bank
- ◇ Incorporate transitional tops and bottoms
- ◇ Spontaneously build sketches that will entertain an audience
