

# Cheers to a Talented 2015

Acting and Advanced acting graduate Tony Robinette’s wish came true this past December when he not only booked one but two Sag National commercials for *All State Insurance*.

He also booked and shot a new Disney comedy pilot titled *Growing Up and Down* starring Raina Rodrigues from *Austin and Ally* and Adam Irigoyen from *Shake It Up*. Tony plays the character of the Band Manager and the pilot is about two teenage kids who now must navigate high school with their parents, a couple with the daunting task of re-living their adolescence, when they are suddenly and inexplicably are transformed into teenagers again.

Be on the look out for Tony this year in the film *Robo Dog* as Jerome that was filmed here in Orlando and featured many other Maile School graduates. Tony said, “Working on Robo-Dog has been amazing! I talked to Patrick Muldoon about the fact that he stole Kelly from Zach on *Saved by the Bell*. I hung with the amazing Ed Budd and just talked theatre. Talking with Wallace Shawn was a master class in the art of conversation and Jason Murphy was an amazing director.”

Tony’s other impressive resume credits include the TV show *How I Met Your Mother* starring Neil Patrick Harris, the feature film *Spring Breakers* starring James Franco and Selena Gomez as well as commercials for Aflac, Wendy’s, Hungry Howies and Universal Studios Hollywood Grinchmas.

We wish Tony much more industry success in 2015.

# STAR TALENT

Since making her move to Utah Image and Professional Modeling grad Camilla Owens booked an assortment of modeling experiences from carrying senior citizens on her back to posing with some unruly fowl. She has shot with some of Utah's top fashion photographers and has modeled for viral companies, boutiques as well as landing a book cover titled *The End of the Beginning*. Her other jobs include charitable fashion shows for breast cancer awareness, Utah's premier fashion magazine, VOX, Overstock.com, Groopdealz.com, and Mikarose Boutique. Earlier this year she had the opportunity of being a part of award winning Kevin Murphy salon's photo shoot contest which won the international *Love Kevin Murphy* title, gaining her some indirect face exposure in New York City. She also shot in

extreme weather (22 degrees) in a strapless evening gown in an outdoor ice castle for Kaboo Bags. Camilla, says, "The Maile School has been a great blessing to me and others have commented on my hard work and the quality training I've received at the school. The training I've had has certainly been a part of the compliments I receive in the casting room, on the runway, or during long photo shoots". Camilla is currently enrolled in a Utah University studying public relations and communications. We wish her more success in 2015. Pictured right is Camilla in a print shot from dcpphotos & studio. Continued success to Camilla!

Congratulations to advanced acting and modeling graduate Justin Smith. He began work this past December as Corporal Stanton in the psychological thriller titled *Man Down* directed by Dito Montiel and starring Shia LaBeouf and Gary Oldman. Justin also worked on the set of *The Exes* starring Donald Faison and Wayne Knight that aired on TV Land a few weeks ago. Justin has built up quite a resume working on the feature films

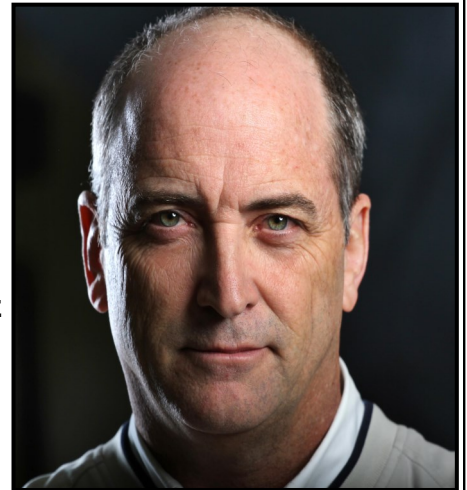

*Baby, Baby, Baby* with Brian Klugman and Kelsey Grammer, *Walk of Shame*, *A Good Day to Die Hard* as well as the TV mini-series *How to Break Up with Your Girlfriend Before Football Season*. Be sure to see Justin in theatres later this year in *Man Down*.
