

100 Things about Brady

We are happy to give you an update on Maile School acting graduate and all star performing troop member Brady Reiter.

Brady's Nickelodeon pilot titled *100 Things to do Before High School* has been picked up for 26 episodes. The show follows three best friends as they navigate the highs and lows of middle school, with the help of a list of adventures that help them overcome class cliques, terrifying bullies and clueless teachers.

Brady plays the recurring character Mindy Minus who is the mean popular girl. She has been very busy filming the show almost every week. Be sure to tune in to Nickelodeon as *100 Things to do Before High School* starts airing this month. We can't wait for everyone to watch and see what Mindy played by Brady is up to.

More exciting news on Brady is that her Amazon TV pilot she filmed titled *Just Add Magic* was picked up to a series. Brady will be the recurring character Charlotte and will start filming the show this summer.

Brady's big break came when she landed the lead role in the feature film *Tooth Fairy 2* as Nyx starring Larry the Cable Guy. She also had a role in the movie *Beethovens Big Break* as well as starring in the Official Tooth Fairy Video; *Why Do We Lose Our Baby Teeth*.

Brady's mom Judy says "Her journey has just been incredible and Brady loves living in Los Angeles."

We are so excited for Brady's success and look forward to seeing more from her in the future!

Maile School's Certified Image Consultant and Life Coach Susan Constantine was on the Dr. Phil television show. Her episode was on Monday, March 23rd. Susan, a leading body language and facial recognition expert, was booked to give her opinion on whether the image provided by the FBI could be Ashley Summers an Ohio girl missing since the age 14 years old in 2007. There was a woman spotted on a surveillance video at a bank that could possibly be Ashley and this brought this cold case back into the spotlight. Susan has also appeared on many other media outlets such as Fox News, The Nancy Grace Show, HLN, NBC's The Today Show, Dateline, Good Morning America, Discovery Channel and many others. Very exciting.

Acting graduate Jim Sweeney who now lives in the UK was cast in the British-American TV drama series *Outlander* as Andrew MacDonald. He also landed a lead role in the horror film titled *Hillcorn Park* to be filmed in Scotland this summer. Jim is well known for his lead role as crime boss, Mick Turner, in the Scottish web series *The Crews*. Jim says, "I love working as an actor, it's the best job in the world and I continue to take classes as it's a lifetime work in progress". Jim has appeared in films such as *Coffee*, which was nominated and screened at the Edinburgh International Film Festival, *The Angels Share* and *The Wee Man*, both of which saw successful runs in cinemas nationwide and a successful DVD and Blu-ray release. Also in the films *Zombie Resurrection*, and *The Aforementioned*. With over 40 film, TV, web & voice over credits to his name Jim continues to push forward in his career goals and seek out new acting challenges. Congrats Jim.
