

Jem and The Holograms

The Maile School is excited to see Universal Pictures *Jem and the Holograms* feature film because not one but two Maile School graduates star in the movie.

Aubrey Peeples stars as Jerrica Benton "Jem" the lead singer and Stefanie Scott as Kimber Benton, Jem's younger sister and the keyboardist as well as the songwriter. Other stars include Juliette Lewis and Molly Ringwald.

Jem and the Holograms is a musical fantasy about Jerrica, Kimber and their sisters aspiring musicians embark on a quest to become superstars. A small town girl catapults from underground video sensation to global superstar, Jem and her sisters begin a journey of discovering that some talents are too special to keep hidden.

Based on the toy line in the 1980's animated television series of the same name. The movie is set to be released on October 23rd.

Although both girls have worked a lot in the industry Aubrey Peeples is best know for her role on ABC's hit show *Nashville* as Layla Grant. Stephanie Scott is mostly recognized as Lexi Reed from Disney's *ANT Farm*. Bright futures still ahead for these two talented Maile School Alumni and we couldn't be happier for all their success.

STAR TALENT

Did you know Maile School acting and advanced graduate Brady Reiter plays Mindy Minus on Nickelodeons series *100 Things to do before High School*? She finished filming season 1 this past May and should start season 2 soon. We are very excited that it started airing again on Saturday September 19th after taking the summer off. Brady plays Mindy Minus, who is the mean popular girl. She always has a plan to get in the

way of CJ, Fenwick and Crispo (these are the other main characters). Some of the episode coming up do show that Mindy does have a little bit of a softer side. Mom Judy says, "Brady loves working on the show and is also auditioning for other projects as well." Keep up the great work Brady!

Congratulations to all of The Maile School graduates who booked print and video work on International Drive for the new attractions The Orlando Eye, Madame Tussauds and SEA LIFE Orlando. Pictured right are the attractive models:

Front row: Jerry Osasio, & Richie Haines

Back row: Alexis Kristsky, Andre Garlic, Solange Colon, Emily Wakley, Debra Foxx, and Jared Fleming

We can't wait to see them all around town.

Exciting news for Maile School Image, Modeling & Acting graduate Karina Caro. She auditioned for American Idol in Atlanta Georgia. Karina says, "As much as I would like to share the information with you on whether or not I did or did not make it I am not allowed to disclose it. Also thank you to everyone who supported me."

Stayed tuned American Idol fans and see what the judges thought of her vocals in January when idol airs.

Pictured left is Karina and her mom Dilma who is also a Maile School graduate of our Image and Modeling programs.

We are very happy for Karina and curious to see what happens. Best of luck... This is only the beginning.

MORE STAR TALENT

After moving to Florida 18+ years ago acting grad Dynell Ma'aseia enrolled in classes here at The Maile School. Dynell says, "I had finally found my niche. The Maile School provided me the foundation to start my career learning everything I needed to get started, and to this day are the tools that I share with those I meet along the way". Dynell started booking commercials and then was halted by the responsibilities of a young family. However, after a 5 year hiatus, in 2003, she made the decision to give her lifelong dream another go and jumped back in. She landed SAG commercials for Publix and U.S. Census, this helped launch her into the public eye, giving her reputability. The past 12 years has been a dream come true as she has worked in every aspect of the business from infomercials, commercials, print, film, voice over and TV hosting. Her caring spirit makes her fit for many roles from a Nurse, Real Estate Agent, Mother and a Professional.

Dynell also has the chameleon-like ability to portray multi-ethnicities which makes her a very sought after talent in the Florida market. She has worked with clients such as Scholastic Books over the past 7 years, Skystorm Studios, Publix Training videos, numerous medical clients with the most recent one being a SAG National Campaign for Tanzeum and Glaxo Smith Kline pharmaceutical. Other commercial clients include Choice Hotels, HSN, Mercury Boats, Ferran Services, and Gental Dental to name a few. Some of her other recent projects include *The Breaking Point* with current worldwide distribution and a USA release date of October 12, 2015, as well as recently being cast in a faith-based film project *The Kings Disciple* scheduled to film later this year. Be on the look out for Dynell as she landed a recurring role on the show *Bloodlines*. She says, "With consistent training, hard work, dedication and lots of prayer I have come to a place in my journey where the sky truly is the limit". Very well said Dynell.
