

Justin Smith lands a role on General Hospital

Acting graduate and former instructor Justin Smith landed a recurring role as “Holt” on ABC’s medical drama *General Hospital*. Holt, is a not so nice guy working for the Jerome crime family. He’s ruthless and will stop at nothing to work his way up. (pictured bottom left)

Justin is known for *A Good Day to Die Hard*, *Walk of Shame*, and *Man Down*. Justin was born and raised in Florida. While in college he auditioned for a movie filming nearby for fun. That audition led to Justin’s first credited acting role, co-starring alongside Al Lewis (Grandpa Munster), in the indie feature film *Night Terror*.

Justin spent much of the next couple years studying in the theatre and working odd jobs to make ends meet. Not long after, he would travel all the way to Cape Town, South Africa to begin work on *The Silent Fall*. Justin spent four months filming throughout Cape Town, where he would also gain some much appreciated life experience. After returning from South Africa, Justin found himself in New York where he was cast in his first major television role on the CBS soap opera, *As The World Turns*. This led to other roles on television in *Army Wives*, *Burn Notice* and most recently *The Vampire Diaries*. Justin spent a number of years working on the east coast before moving to Los Angeles, California, where he now resides.

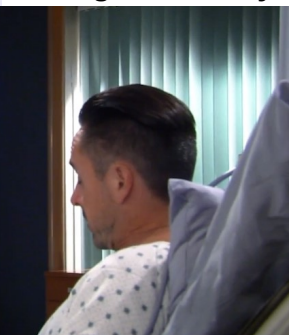

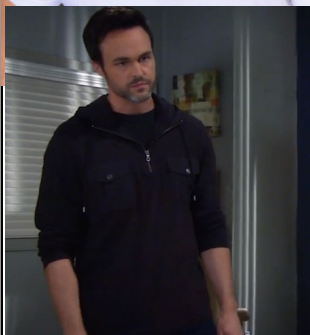

Justin’s latest project *Man Down*, starring Shia Labeouf and Gary Oldman releases on December 2nd. His character “Stanton”, is a navy corpsman who assists Shia’s platoon when they come under fire. (pictured on set below)

Be sure to check out Justin on *General Hospital* to see what “Holt” is up to. Congrats on all your success Justin!

2016 Summer Camp Recap...

Every year the Maile Image, Modeling & Acting School holds summer camps. This year was no different.

Our Image and Confidence campers learned make up, etiquette, manners, public speaking, posture, poise, beginning runway and interviewing skills. One of the students said, "I enjoyed my classes and the staff at The Maile School were very helpful and friendly".

Our on camera kids acting camp for ages 7 to 10 years was so much fun. Debby Tapia said, "This was a great group of kids. They all worked together and each students confidence level elevated".

The kids acting for 4 to 6 years old did not disappoint. The students worked on characters, age appropriate commercials, improv, confidence and auditioning.

Our on camera teen acting camp was awesome! All the students worked on a variety of acting and audition techniques and studied with several of our very talented instructors such as Shellita Boxie, Lance Smith and Jim Braswell. Lance said, "this was one of the best groups ever."

The Mall at Millenia is always a big success. The students learned runway, the various types of modeling, on camera TV modeling, interviewing skills, experience a professional photo shoot and the big finale is to model in our back to school fashion show Saturday, August 6th.
